Scocca realizzata in integrale morbido Freeform. Con questo nuovo materiale integrale morbido a bassa densità si ottiene un prodotto che al tatto risulta molto gradevole. Resistenza meccanica molto elevata sia come elasticità intrinseca sia come resistenza al graffio. Sette colori standard. Le gambe, in acciaio satinato, permettono un uso esterno coperto.

The shell of the No limit chair is produced in soft integral foam called Freeform. This new low-density integral material, gives the product a soft and nice touch sensation. Freeform has a high resistance thanks to its natural elasticity. It is also scratch proof. Seven standard colours. The legs of the chair are in mat stainless steel, that gives the possibility of an outdoor use under a roof.
