RIVER STONE POUF 903.00

The 3D design of the external part of river stone gives the product a particular touch. This pouf that looks like a stone, gives a pleasant sensation of softness and comfort, it is very easy to move and is waterproof thanks to its compact external polyurethane surface.

There are no limits in the river stone application areas. In the private living it can be used as seat for the children room; as pouf for the bedroom or in the wardrobe or in bathroom as well as small and neutral stool beside the sofa. In the contract business, river stone offers a wide choice of possible applications: as small stool in the dressing room of a fashion store; as seating area in a modern shoe shop, as seating ensemble for children's birthday party rooms, for bars, cafeterias, wellness centers and also in the shopping malls, where people look for a short rest.

The material called Soft touch polyplus is a bi-component molded polyurethane. The product obtained in the mould are formed by a core in soft, flexible polyurethane and an external polyurethane skin, colored, compact and elastic.

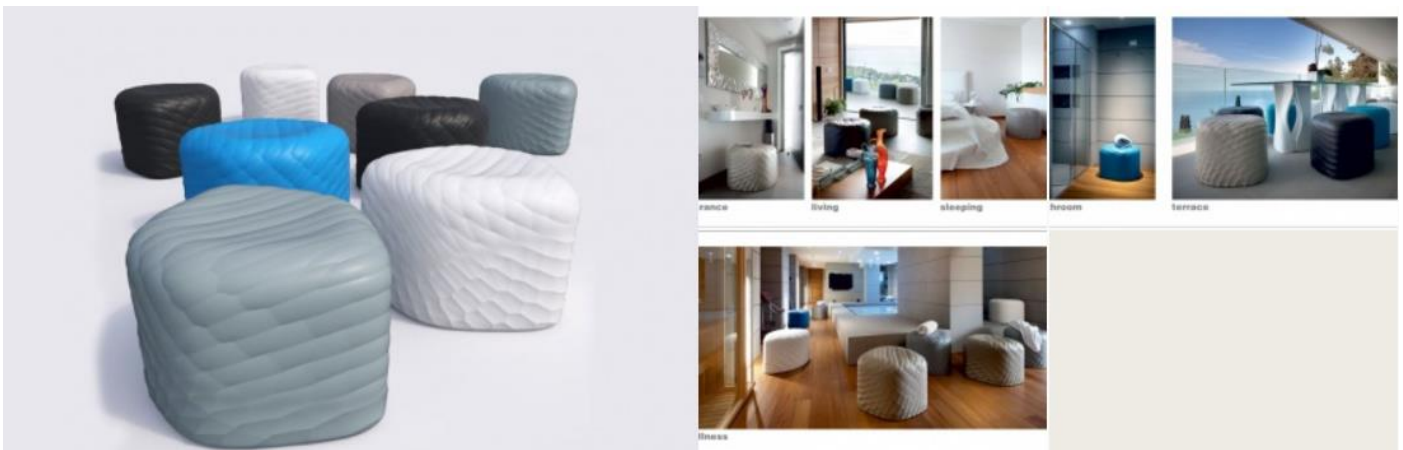

The material is extremely resistant, waterproof and fire retardant. No inner metal structure is requested. This NON TOXIC and 100% HYGIENIC material can be used also outdoor.

RIVER SNAKE 903.10

The “river snake” pouf is usable both singularly and as modules where the single elements are joined together creating never ending combinations.

An aluminum linking system prevents the new creations from unfastening. The “river snake” modular system impresses for its organic shape that has unlimited possibilities of realization, a wavy line, a circle, a flower, everything can be possible.

The material called soft touch plus is a bi-component molded polyurethane. The product obtained in the mould is formed by a core in soft, flexible polyurethane and an external polyurethane skin, colored, compact and elastic. The material, besides being very soft, it is also weather resistant and fire retardant following the EU and CAL 117 rules. It is also a non toxic and 100% hygienic material usable in every contest, both outdoor and indoor.

Never ending are the possible destinations for such an unconventional product as “river snake”, at home but also in public spaces as hotel lobbies, shopping malls and many others.

Overall Length 410mm / 630mm

Overall Depth 480mm

Overall Height 440mm

Seat Depth 480mm
