

## BOSS RECLINER

Whether for lively discussions or relaxed lounging – BOSS is great in any situation. Well thought-out details and very easy handling allow the graceful lounge chair to be transformed into a comfortable relax armchair in the twinkling of an eye. With its distinctly slim design by Cynthia Starnes, BOSS is a perfect partner for furnishing schemes of any format.

### Frame:

Steeled round pipe with foam and cotton overlay.

### Base:

Star shaped foot, gloss chromed

### Function:

Mechanically pull-out foot and leg rest, lockable in two positions.

By using the release lever and simultaneously shifting of weight the back tilts steplessly about 20°, the seat disposition about 7°. The head rest steplessly extendable in height about 25 cm.

Overall Length 720mm

Overall Depth 790mm (1400mm fully reclined and footrest pulled out)

Overall Height 990mm (1200mm with headrest pulled up)

Seat Depth 520mm

Seat Height 440mm
