

yves

pictured as a dining table (plain top)

yves

An elegant round dining table, Yves possesses a character of subtle sophistication that does not want to be labelled.

Features like a beveled underside and sectional grain on top as it balances on a cone pedestal base renders it understated and as a whole makes one fine creation for generations to appreciate.

The top can be in your choice of solid American Ash or Ash Veneer.

The cone base is Ash Veneer.

measurements

H	750mm
D	1100mm (seats 3-4)
D	1460mm (seats 4-5)
D	1700mm (seats 6-7)
