

BENNIE

THE BENNIE CHAIR

DESIGNED + MADE IN NEW ZEALAND

A statement in comfort and craftsmanship, these armchair blends sculptural timber detailing with deeply textured upholstery.

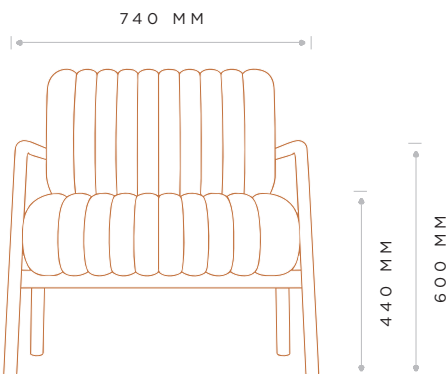

The curved solid timber frame creates a warm architectural outline, while the generously padded seat and backrest feature a distinctive ribbed design that invites you to sit and relax.

Soft, tactile fabric wraps the layered cushioning, offering both visual depth and exceptional comfort. The open arm profile and gently angled legs give the chair a light, contemporary presence while maintaining a sense of grounded warmth.

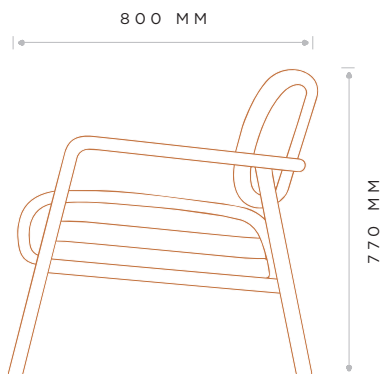

Perfect as a standalone accent chair or paired within a living space, it brings together modern design with timeless natural materials.
