

THE SOL 2.5 SETTEE

DESIGNED + MADE IN NEW ZEALAND

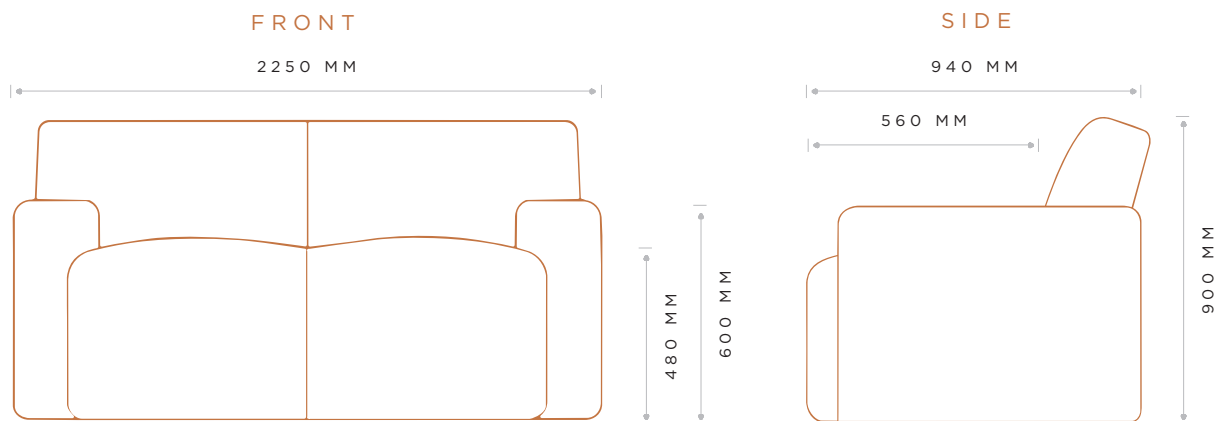

SOL

A modern statement sofa defined by its sculptural, bulbous silhouette and inviting, low-slung profile.

Generously proportioned with deep, plush cushioning and softly rounded forms, it is designed to be the most comfortable piece we've made – offering a relaxed, sink-in feel without sacrificing structure.

Its bold, voluminous shape creates a striking visual presence, making it an ideal centrepiece for contemporary living spaces, lounges, or boutique hospitality settings.
