

SOL MODULAR

DESIGNED + MADE IN NEW ZEALAND

SOL

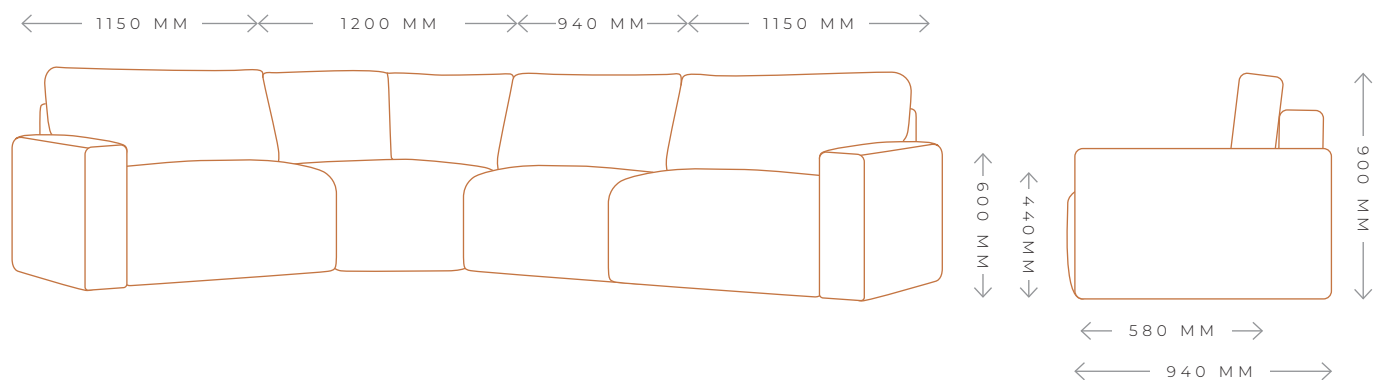

SOL is where sculptural form meets everyday living.

Designed and made in New Zealand, SOL brings together generous proportions, soft curves and deep comfort to create a piece that feels as good as it looks. Its modular design allows you to shape the configuration to suit your space, while its effortless silhouette brings a sense of calm, warmth and presence to the room.

More than a sofa, SOL becomes the place where life unfolds — slow mornings, long conversations, quiet moments and everything in between.

Timeless by design. Crafted for living.
