

THE MICRO TABLES

DESIGNED + MADE IN NEW ZEALAND

MICRO

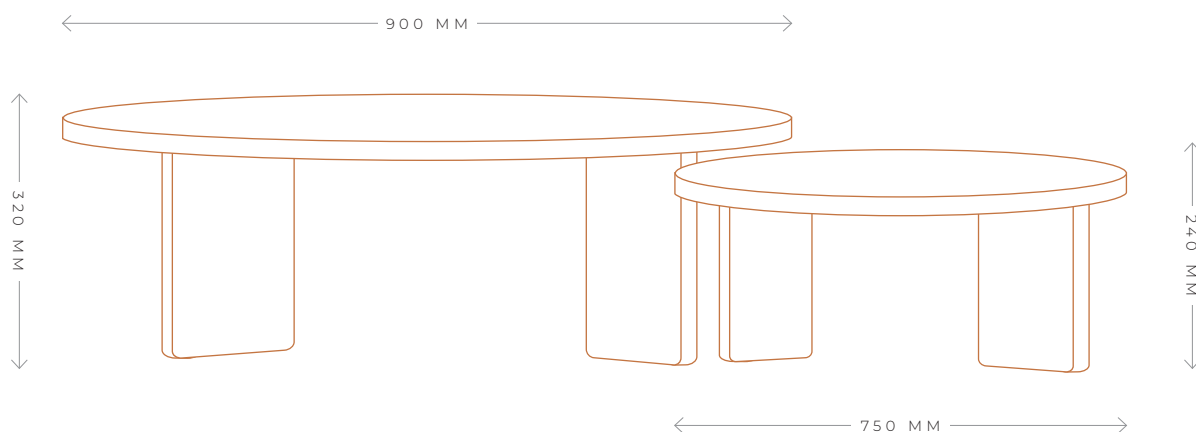

Designed to withstand the elements, without compromising on form.

Featuring a porcelain stone top, selected for its exceptional durability, low maintenance and resistance to the demands of New Zealand's changing climate. Almost bulletproof against the elements, it brings the beauty and depth of natural stone without the upkeep.

Paired with marine-grade timber legs, the solid architectural base brings warmth and balance to the refined stone surface.

Built for outdoors. Designed to stay beautiful
